## **Principal Statement:**

Luis Manuel Gomez-Vasquez was read his Miranda Rights and requested an attorney be present for questioning. No questions were asked.

#### **Material Witness Statements:**

Both material witnesses were read their Miranda Rights and provided statements.

Pedro Antonio Sandino-Soza claimed to be a citizen of Nicaragua and illegally entered into the U.S. Sandino stated he paid \$1,500 to be smuggled to McAllen, Texas and would pay an additional \$2,000 when he arrived in Houston. He stated the group he crossed with were being led by one foot guide. The guide instructed them to walk and stay in a straight line and not make noise. He was using his cellular phone as they walked asking the other person if the roads were clear of law enforcement. Sandino identified Luis Manuel Gomez-Vasquez as the foot guide.

Fernando De Jesus Lopez-Galdamez claimed to be a citizen of El Salvador and illegally entered into the U.S. Lopez stated his brother coordinated his smuggling arrangements so he was not aware of the amount. He further stated a foot guide met them on the Mexico side of the border and crossed with them into the U.S. The foot guide instructed the group to walk as quickly as possible and keep quiet. The foot guide was on the cellular phone as they walked north and did not reach the pick-up location since they were arrested. Lopez identified Luis Manuel Gomez-Vasquez as the foot guide.
